**LETTER TO THE EXAMINER REQUESTING RECOGNITION OF PARENT APPLICATION**

Commissioner for Patents  
PO Box 1450  
Alexandria, VA 22313-1450

Sir:

Pursuant to a routine review of the Patent Application Information Retrieval (PAIR), it is noted that system does not reflect the status of the instant application relative to the parent application, 09/359,128. Since priority was properly claimed in the Continuing Utility Patent Application Transmittal form at box 18 on filing the instant application and the specification was properly amended in the accompanying Preliminary Amendment, it is respectfully requested that the status of the application be reflected in the PAIR system to prevent confusion.

Respectfully submitted,

STEIN, MCEWEN & BUI LLP
